**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

When the Creator thinks of the creation of a soul, He writes out its whole trajectory, from the creation of its essence as a particle of Divine Essence to its return to that infinite Source of Life.

The Celestial Father designs the steps of His children with love and places on their paths the learnings that they need for growing, evolving and returning to the Heart of the Father.

The celestial circumstance that forms at the birth of a being is what it needs to fulfill the Divine Will. In the stars, the Father designs the impulses of light that this soul will receive and, at the instant of the birth, clothes them with these impulses and with blessings, which are precisely those for their evolution.

These celestial circumstances are the expression of Love and of Divine Perfection so that His children may perceive that even before they come into life, they already receive everything they need to be in it and make this experience an opportunity to renew the Love of God.

The dates you call birthdays, children, are the moments in which souls remember all the impulses they received at their birth, remember the purpose of their existence, and again receive the first impulses of Divine Thought from the Celestial Universe so that, on this day, they may have an opportunity of going back to their evolutionary path and repair the deviations that they may have experienced during their learning process.

When hearts are distracted with the things of the world, these impulses are lost, as are many of the opportunities that God gives to beings. But when you pay attention to the Heavens, in gratitude and reverence, with the heart ready to receive those gifts, you may renew your spirit and your heart and begin a new cycle.

Today, receive Love and Divine Grace so that a cycle of peace may begin for your little heart. You have My blessing and My gratitude. You have the Love of God.

Your Father and Friend,

The Most Chaste Saint Joseph
