DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF PALERMO, SICILY, ITALY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today the whole world, but especially the Sanctuary of Fatima, remembers through all the pilgrims that humanity has a Mother. A Mother Who silently intercedes, without tiring or delaying, for humanity. A Mother Who, from the beginning, unconditionally accepted giving up Her Son to be the Mother of Humanity.

Today Fatima lights up like a sun through the Love of the Most Holy Mary. Souls remember the Mother of eternal tenderness, the Mother Who gives them Peace, the Mother Who deeply wishes the good for them and offers them Her Heart of a Mother, as a refuge and support in the face of any adversity.

Behold, before you, the Mother of God and the Advocate of all those spiritually condemned. Behold, your Mother, the Mother of the Universe and of humanity; the Mother Who gives you shelter, the Mother Who understands you, and through Her surrender, grants you the forgiveness and reconciliation of God.

Remember well this 13th of May, which up until today remains alive, as if it were the first time that the Mother of Jesus descended from Heaven to give you shelter and bring you Peace.

You need nothing else, creatures of God, because you have a Mother, and the Mother of Heaven is the most important thing in your lives.

Appreciate Her, respect Her, listen to Her, and love Her as She silently does.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
