MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

I am the Mother of all peoples, of all races, of all cultures, of all religions, because I am the Mother of each human heart and I am the Womb from which all things come. Nothing is separate from Me, My children. Only moves away from My Heart the one who forgets their filiation with Me and who forgets the unity that must exist between each human heart and God.

Because of this I come to the world and place each nation under My mantle; because of this I make those of My children who are awake true mirrors of My network of light, to illumine the inner and planetary abysses that still darken this world, and, thus, to liberate evil and suffering from the souls.

Children, today My Heart rejoices in Brazil as in Fátima, and My rosary extends beyond the continents, embracing with its beads of prayer all seas, and healing in this way the suffering of the Kingdoms of Nature. Thus uniting Fátima and Aparecida, I make use today of the prayers of My children to accomplish a wider planetary task, that may embrace all the kingdoms and all the hearts.

I wish you would accompany Me with your most sincere prayers, trying to understand the great necessity that this world be bathed in the light of the Most High God and that hearts receive from the Father the awakening that their souls await so much.

Beloved children, terror still exists in many parts of the world - materially and spiritually - submitting many souls. No matter how much you are permanently under My mantle, you must be aware that this protection that I deliver to you is for you to work with Me for Peace and for the redemption of this planet.

On this day, I wish that My children in Fátima, as in Aparecida, were aware of the Mirrors of Light that I have deposited to radiate their prayers to the whole world; nevertheless, children, the truths of Heaven have been told to very few, and these must represent the whole humanity.

I wish My sanctuaries were filled with souls aware of their mission and that, with the mirror of their hearts ignited, they would make of each one of these sanctuaries true plants of transmutation and of redemption for the planet.

Because of this I ask you on this day that those who are most aware of My Call pray with Me for world peace. Clamor for the awakening of the souls and, just today, do not ask anything for yourselves.

Unite to Me in a clamor for the planet, for the seas, for the souls that are in darkness, for those who suffer, for those who sleep, for those who submit their brothers and sisters.

Unite, My children, your rosaries to Mine on this day, and uniting Fátima and Aparecida, we will ignite this luminous network for the planetary consciousness.

Today the Mirrors of Light ignite themselves and emit a divine sound that resonates beyond the universes, in the whole Cosmos, so that God may hear the praying voice of His children.

I thank you, beloved children, for your being aware of the need of this world and for your working with Me for Peace.

I thank all My children from São Paulo and from São José do Rio Preto for reflecting about the need of their neighbor and for helping Me fulfilling My Plans of Peace. My mantle must still embrace many souls and I count on your hearts for this to be possible.

I love you and leave you My Peace.

Your Mother Mary, Rose of Peace
