DAILY MESSAGE RECEIVED IN THE CITY OF PALERMO, SICILY, ITALY, TRANSMITTED BY THE GLORIFIED CHRIST JESUS TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Divine Mercy is more extensive and deeper than the sea, in it I submerge the souls inside My Light, so that they may be transfigured and redeemed.

I give My Divine Mercy to drink to the souls that agonize and despair. My Divine Mercy is purer and more crystalline than water, so that they may rely on this life raft.

My Divine Mercy is more limpid, clear and luminous than Heaven, I enter the souls in it so that they may elevate and sanctify themselves as God needs.

My Divine Mercy is more beautiful, lovelier and more precious than the flowers and lilies of the field, because in it souls attain the spiritual joy of serving and living God.

My Divine Mercy is higher, stronger and more robust than all mountains, because in it I place souls on the path of ascension and transcendence, so that by means of My loving confidence, hearts may learn to overcome their own fears and challenges.

My Divine Mercy is more infinite, broader and more extensive than the stars, because through it I place the souls in the Universe of My Love, so that they may be healed from their mistakes and liberated from their constant trials.

My Divine Mercy can be much more to all of you, It will be enough to invoke it with love.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
