Daily Message of the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

The Plan of God must be loved every day, to the point of surrendering everything for that Plan.

This is the school of those who accept living the Plan, without any preference; for by loving the Plan, the doors of instruction can be kept open, which will help the majority of the planetary population to continue to receive instructions, and in this way, produce changes in the consciousness.

Participation in the Plan of God means a total adherence to being part of that Plan of Love and of brotherhood.

This will help so that everything can always be renewed, and further, expanded in the surface consciousness.

This will make it possible for more consciousnesses to be able to participate in that movement of following the Plan, just as the Eternal Father has foreseen will be accomplished in each cycle of the planet.

The Plan is a way of being within an evolutionary construction.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
