WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT PICOS DE EUROPA, CANTABRIA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Just as in the Message of last Saturday, I clearly said to you that My maternal call has not yet been fulfilled in Garabandal or in La Salette. Today, as the Lady of Guadalupe and Queen of Peace, your Heavenly Mother comes to spread Her Sacred Mantle upon all of Her children so that the majority of My children may be protected from the adversities of war, from persecution among Christians and the catastrophes of nature.

I come, as the Mother of the World, to make you hear the cry of Mother Earth and of the Lower Kingdoms. And while this is not taken into account, My maternal call is repeated and strengthened again so that the third Secret of Fatima may not continue to be concretized in such a fearful way.

My children, it is necessary to do something. I come to ask you, as a Sorrowful Mother by the foot of the cross of the planet's Calvary, that you no longer be indifferent or insensitive.

I come, as your Heavenly Mother, to open the eyes of your consciousnesses, so that you may awaken through your heart's true feeling.

Dear children, today the cry of the planet, of the volcanoes, of the climate, of all misery and of humanity's war is also My cry, My clamor, My voice saying: enough!

No longer be a part of pain and of a tired suffering. Be part of the New Earth, of the coming of the New Humanity, free from so many mistakes and punishments.

Today I am here with My Heart marked with the signs of My children and of a suffering world.

I am here as the bearer of Peace to the world, as the Lady of Hope.

May the Earth be blessed and consecrated to God through the yes of the apostles of Christ.

Despite this current world crisis, I tell you once again: At the end of everything, My Immaculate Heart will triumph.

I thank you for responding to My Call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace.
