DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS CORAZÓN DEL SAGRADO CORAZÓN DE JESÚS

Equality among Peoples

Dear children,

My goal in coming to Switzerland, in the name of My Son, is to ask the representatives of this country for an act of equality among the richest nations and the poorest nations.

For this reason, I come to donate My Mirror-Heart so that in Switzerland may be reflected the Will of God and not the excessive use of power and superstition of the proud.

I come to ask for a true spirit of charity and of equality, in order to be able to save these people from the path it treads for excessive wealth and the material disorder of life.

Here, and inside this nation, there are souls that have the duty of promoting equality without conditions and a balance for those who do not even have a home to take refuge.

I come as Mother and Virgin of Schoenstatt to ask for consideration and attention to My words, before the time comes when no stone will be left upon another stone, just as My Beloved Son has said.

I want to awaken in Switzerland the spirit of self-forgetfulness, so that the souls may learn to see and to contemplate the needs in their fellow beings, in the poorest among the poor.

I wish to leave Switzerland with a hope in My Heart capable of having faith that My children will make the necessary effort to step out of the perverted convenience and comfort.

I need you, children of Switzerland, to make use of the spirit of poverty and of selflessness that the Mother and Virgin of Schoenstatt offers you, so that beyond your people and your "own world", you can contemplate the suffering, the hunger and the need of millions of souls in the world, as it happens in Africa and in the Americas.

I know that it will not be born from the leaders, this necessary feeling to perceive and recognize that the Law of God is not being lived here, and even less what My Son taught you.

For this reason, before everything is unleashed, within and outside your consciousnesses, I invite you to live a life of prayer and of dialog with God, so that you can step out of the prevailing illusion of these times, and perceive that it is urgent to change, first stepping out of yourselves to give space and place in your hearts to those who suffer the most, and have nothing.

With this message I call you to reflection, as there is still a little time left to transform what the Universe needs to transform from your people.

I give you thanks for listening to Me, because, as Mother, I love you and I wish the good and the equality for all My children.

Who blesses you,

Your Mother Mary, Rose of Peace and Virgin of Schoenstatt
