WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED ON AREQUITA HILL, LAVALLEJA, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear and beloved children,

May you, on this evening, filled with the unfathomable Mercy of My Beloved Son, receive once again the invisible Source of healing, peace and love that is reflected in this blessed place.

Today, on behalf of many more children, you have approached the Inner Aurora to ask for healing and redemption for the planet.

Dear children, know that when two or more hearts unite in suppliant and selfless prayer for a just cause, the Father will hear you and send you His most precious blessings.

Today, from the heart of this humble place of peace for Uruguay and for the world, your Heavenly Mother calls you, as in Lourdes, to wash and purify your consciousness in the Healing Source of Aurora, a Source that you will find within yourselves each time you enter into prayer and inner communion with Aurora.

On this evening, may all those who within themselves, for whatever reason, seek to find an answer or an inner light on their paths, receive it through the offer of those who said yes and summoned themselves to be present in the heart of the Inner Aurora.

For all this and with Motherly Love, I thank you for responding to My call.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Lady of the New Aurora
