MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, TRANSMITTED BY MARY, ROSE OF PEACE, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children,

Through His Wounds, you were healed.

Through His martyrdom, you were liberated.

Through His pains, you were redeemed.

Through His agony, you were reconciled.

Through His three falls, you were converted.

Through His loneliness, you were unified.

Through His silence, you were absolved.

And through His Crucifixion, you found peace again.

On the eve of this Sacred Week, may your hearts ignite with love and devotion for Jesus, so that the merits of His Passion and Death may be the bridge toward the conversion of sinners.

Through your union with Christ, children, may the legacy of His Passion be valued. May each act of the life of My Son be contemplated as the opportunity of reconciling with life and with God.

In the face of all events that humanity goes through, and taking into account the time of perdition that souls experience today, by the merits attained by Christ, may the souls on Earth receive the Grace of reconsideration and conversion of their paths so that they may meet the Love of God.

Children, now that you will have the spiritual grace of reliving the Passion of My Son, may your lives testify the triumph of the Love of Christ in your hearts. And may this testimony help you in the elevation of consciousness and in the reparation of all that happened.

Dear children, during the next Sacred Week, may you again go through the mystery of what the surrender of the Love of My Son meant for the world. And may this mystery, filled with profound compassion, help the world to live its purification as a preparatory path to receive the Redeemer for the second time.

Make each moment of the Passion of Christ a part of yourselves, and may this reflect within your daily lives, in the sharing with brothers and sisters, in the Works of charity and of peace; thus you will be able to be witnesses of the Love of the Lord and carry it wherever you go.

I encourage you, My children, to let the Divine Passion of My Son transform you into His instruments of peace in these critical times.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
