Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

In this time of worldwide spiritual crisis in the majority of souls, I ask you to seek the harmony of My Maternal Heart.

To find the harmony of My Maternal Heart, children, you must practice silence so that your hearts and consciousnesses may perceive the difference of being near or far from the Celestial Kingdom.

Children, you are a humanity with the potential to be able to develop many things within the Sacred Law of God.

Harmony is what is lacking in all of humanity, which makes it lose its peace, and in a short time, the path of true humility.

While hearts place their lives in the material things of the world, the path of harmony, which is universal, will not be seen by the majority.

Silence and the practice of silence requires the consciousness to think regarding what it will be talking about and to rethink actions that were previously taken hastily.

If at least a small part of humanity does not live the search for silence, it will be difficult for all, at some point, to be able to hear the Voice of the Most High announcing to the world the glorious Return of Christ to the hearts of the simple ones.

Dear children, you are before a reality that can no longer be hidden; the lack of harmony does not allow the laws of healing to approach and souls remain without receiving anything.

Assume, dear children, that a part of this whole Project is in your hands, as well as the responsibility of the planet and especially of the Kingdoms.

Your union with God and His Divine Will will define the end of times. Keep going, in the company of your Heavenly Mother.

I thank you for responding to My call!

Who gathers you together in the Divine Spirit of God in sacred harmony,

Your Mother Mary, Rose of Peace
