Daily Message received in the Commune of Castel Volturno, Campania, Italy, transmitted by Saint Joseph to the visionary Sister Lucía de Jesús

Seek the purity of your heart through silence and prayer to restore this world from so many sins and illusions.

Offer a sincere reparation to God through the small renunciations of life so that, through these offerings, the Lord can intercede for those who are ignorant and indifferent in this world, in spite of having a commitment with God and with His Love.

Each day live a true religion and love being united with God for those who deceive themselves with false spiritual lives.

Repair the Heart of the Father for those outrages, praying and adoring with the heart. Be an instrument for the miracle of God, allowing yourself to be transformed. Be a source of His Grace, allowing Him to be within you.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
