DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I know each one of those who are Mine from the inside out.

This knowledge I have about each one of My disciples, beyond the defects or imperfections, is what allows Me to help them so that, day by day, they get dare to continue transforming themselves until they reach the plan of love I have designed for each one.

Each time you pray the Chaplet of the Divine Mercy, and you really do it, I can help you until I am able to erase any sign of sin or of offense, because no one knows more than I do what it is to be a human being, all that they can do right or wrong.

The most important thing is sincerity and honesty in prayer, this allows that the divine grace descends to continue blessing the hearts and to support them during different cycles of purification.

Receive this message today with much hope, knowing that the day of your redemption will soon come.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Jesus Christ
