Daily Message received in the city of Zagreb, Croatia, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

While more souls enter My Universe of Light, more events from the past are dissolved by Christic Love, and thus I triumph again in the face of darkness, and souls recover their spiritual meaning of being here in order to stop being disoriented.

Souls walk towards the inner planes to have an encounter with your Master and Lord. Even though it may not seem so, this is what happened with the souls of Croatia and is also what may happen with the souls of Hungary, strategically imprisoned in a system of human self-destruction.

But My Mercy shall reach all those who wish to receive it, and even more.

My Mercy shall fill all spaces when My arrival is announced, just as the arrival of your Heavenly Mother to Croatia was announced through the diffusion of the heart, which was to share Christic Love.

This is the last time in which souls will unexpectedly receive the impulse of awakening directly from the Source so that each one may take on their commitment with the Celestial Father and be a part of the soldiers of Christ of the end of times.

But this impulse shall happen only once and will not be repeated.

Therefore, the more the diffusion group is aware of the work it performs on the inner planes, the greater will be the effects for the Work of the Hierarchy in the whole world.

I thank you for all the efforts made; I thank you for keeping My words and impulses in your heart.

Who blesses you,

Your Master and Lord, Christ Jesus
