**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Awaken within yourself the mandala of light and of love and allow it, through prayer, to manifest its perfect and harmonious shape.

Let your inner mandala manifest in its perfect design, expressed by the light of the soul, the note that characterizes it and the representation of its spiritual relationship with the Universe.

Finally, let your inner mandala contribute, to today's humanity, all the love, devotion and reverence that it needs so that it may again unite to God and thus enter into inner contact with the Higher Laws.

Let the light and love of your inner mandala be built by the fervent and sincere prayer of your soul, just as by the untiring giving of your being, at the service of the Greater Plan.

Let your inner mandala reveal to you the gift and talent of being able to serve God within the Universe of the vast purpose so that thus, you may join with the inner mandalas of your brothers and sisters to form the great mandala of brotherhood and goodness; attributes which, in solidarity and in fraternity, you will be able to give for the descent of the Greater Mandala of God, which will allow you to enter into His Kingdom and Eternity.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master and Lord, Christ Jesus
