WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN NAZARÉ, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

When a soul does not accept or does not embrace the Will of God in depth, it is a soul that sends a message to the universe, telling it that it will do its own will. See, in this, the example of the lack of consciousness and discernment of the ones who decide for themselves.

The Will of God is not a regulation, it is an unknown expression of His Love.

The Will of God is not authoritarian, it is a reflection of the Father's Charity for all His Children.

The Will of God is not restrictive, it is the infinite emanation of His Wisdom and of His unfathomable Mercy.

When a soul fails to embrace this reality, it is prone to suffering; for, My children, there is no one else who humbly respects the freedom of His Children as God does.

When nothing seems to make sense, it is then that souls with the hardest hearts remember God; but as Mother, who has lived from the beginning in the Will of the Creator, I invite you to live the experience of embracing the Will of God so that you lose the control you think you have.

If you love the Will of God, you will know it.

If you live in the Will of God, there will be no limits for beings on the surface of the Earth to be living mirrors of that Will.

Just as the Truth of My Son sets you free, so shall the Will of God, step by step and in obedience, liberate you from yourselves.

Think how many times, day by day, you cease to live the Will of God and live your own will; a will that lacks foundations and, above all, that lacks love. Thus, My children, you will realize whether you are near or far from God.

As a Mother, I wish the good and the victory of Christ in those who decide to be nothing and who decide to live in the wise Will of the Eternal Father.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
