**Daily message of Mary, Rose of Peace, transmitted in the city of Buenos Aires, Argentina, to the visionary Friar Elías del Sagrado Corazón de Jesús**

Whoever works for God, giving more than they even can, deserve to receive the infinite Grace of God with all the Love from Heaven. Thus, their spirit will be filled with the fullness of having God and of feeling Him nearby, time and again.

Therefore, whoever works for God, giving more than they even can, must feel their souls calm because their souls will participate in this inner and unbreakable union with God that will give them peace and trust to experience a life dedicated to service and unconditional prayer.

Whoever works for God, giving more than they even can, must feel the joy of fulfilling their mission, carrying inside of themselves the certainty that they are following the steps of the Lord in spite of the inner storms or the intense tests that the disciple of Christ can live in their experience on Earth.

Whoever works for God, giving more than they even can, must know that they are doing so for everyone who does not do so, and they will take their mission forward to radiate love and compassion, understanding and forgiveness.

I thank you for responding to my call!

Who blesses you,

Your Mother Mary, Rose of Peace
