DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My child,

I know that for you, to live My Will means to surrender and transcend many things because of love.

I know that for you, to live My Will means to dissolve personal will so that the purpose of your life may be accomplished.

I know that for you, to live My Will means to give of oneself, to serve and to surrender, beyond inner incapacabilities.

I know that for you, to live My Will means to always say "yes" and to be available in any situation or circumstance, even when sometimes you have nothing left to give.

I know that for you, to live My Will means to sometimes have no remedy for inner situations and to just trust in that which is great and has no boundaries.

I know that for you, to live My Will means to love unconditionally, to be without conditions, and to go beyond your concepts and fears.

I know that for you, to live My Will means to always be in faith, beyond there being dark days, and to trust that through the strength given by love, you will manage to achieve the top of the mountain to be able to see the sun.

I know that for you, to live My Will means to die every day a little more to yourself, to your aspirations and expectations.

I know that to live My Will means to be under the ray of the demand, of the determination, and of the Higher Will to survive all assaults in these times, so that the spirit may achieve the purpose that it came to incarnate in this world.

I know that to live My Will means there is no end.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
