DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Do not affirm in your life how imperfect you are, but rather believe in what you are in essence; because you know that you come from a Primordial Source that, making you arise as spirit, sent you through the Universe to learn to love and to forgive.

Concentrate your consciousness in everything that the Father deposited within the depth of your being, from there, allow the impulse of your essence to make you remember who you are and where you come from so that, once and for all, you can redeem the past and dissolve every sequel of inner pain.

Rejoice, because being before the Mother of the Most High, your inner consciousness will be purified and everything will be transfigured.

Have faith that someday you will be worthy of the Grace of God because, in truth, the Grace of God has touched your consciousness many times.

I would like you to remember the value of your essence because there will be kept your entire experience of faith, love and forgiveness; experiences that will help you to reach new steps in the School of unconditional love.

Affirm that you are before a unique opportunity and everything is conducted.

Love will overcome.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
