DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN HOUSTON, TEXAS, UNITED STATES, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray, child, for the most lost souls that, even in the illusion of their material bodies, inwardly recognize the Light and seek for help.

Pray for those who came to the world to experience an opportunity of forgiveness and redemption and who were meanwhile confused by all the stimuli of the world and became lost.

Pray, because the souls that are today confused will no longer have other chances for evolving and growing, and they will retreat into the abysses of the world and their own inner self, simply for having chosen to be in the illusion and within deceit.

Pray so that the Heart of God may touch the hearts of His children and that you may be a light on the path of those who are blind and do not recognize the pathway upon which they must walk.

Let your heart always be full of pity and compassion for those who are lost, because this is not only the end time for the old human being; this is also the last chance for many souls.

Fill your heart with God and feel with His feeling and with His Love; think with His Wisdom and live with His actions, inspired by His Spirit, so that you may be an instrument for the encounter of souls with themselves, with their inner truth and with God.

You have My blessing for this.

The Most Chaste Saint Joseph
