Daily Message of Mary, Rose of Peace, transmitted during the journey from Porto Alegre, Rio Grande do Sul, to São Paulo, Brazil to the visionary Friar Elías del Sagrado Corazón

Through My Presence and My Words, I purify your life and your whole consciousness, and what would seem impossible to transform is dissolved by My maternal Love.

In this way, you will have your feet free from all ties so as to be able to walk toward My beloved Son, and He will wait for you, full of His Divine Mercy, to pour It out as a balm over you.

Feel that it is possible to be redeemed and live all the Gifts of Heaven in these difficult times.

Today I caress your face, place your head on My chest and have you know the Love of God, which heals and closes the wound of any situation.

Hold My Mantle tightly, and everything will pass. Only God is enough for the simple hearts that live the prayer of the heart.

Do not worry, God is above everything, and He, Who is powerful, will free you from all evil.

I thank you for responding to My call!

Who blesses you and absolves you,

Your Mother Mary, Rose of Peace
