DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

On this day, in which My beloved Son will once more carry out a planetary task, I invite you to accompany Him inwardly and to be present in the Marian Centers so that, in this union of souls, the Universe is able to act and work once more.

I invite you to sincerely follow the steps of My Son so that your lives, as well as all of humanity, may also receive the divine impulses they need.

In this way, through inner union, My children, you will allow the bonds of union and love to strengthen among human beings.

Because for this cycle it will be important to keep, not only this spiritual alliance with the Heights, but also the inner unity among souls of this world in order to awaken a greater interest to help and mercifully collaborate with your neighbor.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
