DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SAN ESTEVE - MONTSERRAT, BARCELONA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

When a heart that was oppressed and in evil is liberated- as you say here on this planet - this has a price. Because of this, dear children, My soldiers face hard battles in these times, but prayer will make you invincible before any harassment.

Know, My children, that My Plan of peace shall triumph every day of life and that you, through Me, will be able to concretize and fulfill the Will of God. You will never lack courage to fulfill the Designs of the Father, in order for His Kingdom to be finally established on the planet.

The reason for so many battles is the definition of the times and the moment of making love triumph above all.

Dear children, for this I protect you and make you stronger than you could be, because those who live in My Heart shall not perish.

I thank you for responding to My call!

Who loves you and sustains you always,

Your Mother Mary, Rose of Peace
