SPECIAL MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE OCCASION OF THE MEETING OF MUSIC FOR THE HEALING AND ELEVATION OF HUMANITY

Beloved children,

Today, the voice of the most Little ones will touch the Heart of God, because their singing will be a plea for all the little innocent ones and all orphans who, in the next Nativity, will be alone and without their parents.

The voice of the most little ones will tonight console the Heart of God, for all those who have lost and lose contact with their inner child.

It will be the voice of the most little ones, during this gala night, that will prepare, in the hearts of the adults, the birth of the Child-King, so that innocence and purity, which today does not live in humanity, may be recovered for the whole planetary consciousness.

But also the voice of the adults will elevate, of the singers and peace-makers of Christ, so that the serious events and conflicts of these times may be dissolved by the love of those who implore to God from the heart.

The voice of the adults cry out for the awakening of peace in all those who have lost it. The voice of the adults will today ask for Mercy, so that the purpose and spiritual goal of the wounded nations of South America may be recovered, those in which the nations have lost.

This is the gala night that will prepare, in the inner planes, the coming of Christ in the hearts that are empty and without inner love.

Upon the stage, for tonight's presentation, the Guardian Angels of the nations of South America will be in offering to accompany this loving moment in which, once again, the Celestial Portals will open, so that hope may descend, and the flame of faith may ignite as a burning fire in those who have lost their union with Christ.

I will be by the side of My singing children, accompanying this important moment of offering for humanity and for the planet.

Today, may the voices shine like the neighboring stars of the Star of Bethlehem, so that a night of peace like this may expand throughout the whole world.

I wish you a glorious gala night of adoration to the Child God.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
