DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF SANTA MARIA, RIO GRANDE DO SUL, BRAZIL, TO THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Surrender your heart and your life into the Hands of God so that your inner suffering may end.

Allow the rays which descend from Heaven for the definition of beings not to cause pain within you, but rather to free you from your resistances, from the walls of stone which separate you from that which you are, which prevent you from reaching God.

Let the barriers of resistance be broken; allow your forces and your love for the Plan of God to be renewed.

All opportunities for the ascension and enlightenment of consciousness are to be found in your daily life; the key lies upon your posture before the events, trials and needs which lead you to overcoming.

Your feet are now upon the calvary of this world; therefore, do not delay your steps, but embrace the cross which was given to you, with peace in your heart.

Remember the embrace of your Lord on the wood, when the cross of your redemption weighed upon Him; and today, when you are called to imitate His steps and give all of yourself out of love, do the same: embrace the cross, for the redemption of the blind of spirit and hard of heart, for the indifferent and ignorant, for those who have not received Mercy because they believed their state of miseries to be the treasure of their lives.

When you embrace the cross, from Heaven will come the help for you to carry it.

When you embrace the cross, you will experience the revelation of the Love of God in Christ.

When you consummate your surrender on the cross of these times, you shall see the Love of God become renewed within you.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
