**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Embrace My Immaculate Heart; I will do you no harm. I am the Lady that descends from the Heavens to announce in your hearts the Divine Peace of the Lord. Do not fear. I bring you My Eternal Light from the Heart of God.

I am the Mother and Queen of the Divine Love. I am the Messenger Bird of Peace that saves the children that are without light and peace in the world. I appear before your eyes, before your hearts, so that you may recognize My message and My call to prayer.

Today I say to you, My little ones, that the Lord sends to Earth from Heaven and from the Universe, large groups of souls that fulfill His will in a mission of prayer and of peace.

For this reason, My little ones, the first step for souls is to unite in fraternity and in love; this will be able to happen through giving and in service. See thus, My little ones, that the Lord gathers you so that all souls may carry out, in honor to His Will, the works of love and peace that He proposes for each heart.

When souls are in group, there exists a mission of Love and Redemption that is gestated through service and prayer, to God. For this reason, My children, you must not sadden your hearts if you have not yet found the group of souls for the mission.

The Lord, who is kind, places hearts before His Works of Peace, a Peace that His Heart radiates to the life of souls. All the Purposes of God are permeated with giving and with the selfless action of all groups of souls. The stronghold for these groups that serve the works of God is the constant spirit of prayer.

This is why, My dear children, I invite you to pray so that your hearts, in this final time, may recognize the group of souls to which they belong. The first path will be, My little ones, the reconciliation and the union with Our Celestial Father. From then the path of the groups of souls will be guided by His Greater Will and thus, they will respond to the Greater Call that comes from the Heavens and all the hearts will act for love and service towards fraternity.

Prayer prepares the path for the time that will come. United to My Immaculate Heart, the pathway of peace will be able to be followed by all hearts.

The Eternal Light is the Divine Purpose for life and for the redemption of all hearts.

Who adores you and keeps you in the Heart of God, Mary, Mother of the Divine Conception of the Trinity
