WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My dear and beloved children,

On this day, I thank those who are present for coming close to My Heart to answer the call to pray with Me for peace.

Dear children, peace is so urgent in the world because most of My children are living in internal conflicts within their families and in the conflicts of nations.

When, out of love, you come close to Me, as you do today, and pray with Me for peace, a small door opens so that this peace, invoked by the prayer of the heart, may prevent escalations of wars and greater suffering.

Do you now understand, My children, that prayer is everything?

That is why, just as throughout the past seventeen years, I have taught you to pray, I would like you to spiritually establish more prayer groups; a school of prayer on Earth that serves as a spiritual mirror, formed by souls who always seek to answer My call.

And how will you achieve this, dear children?

You will achieve this by being a prayer yourselves through gestures of love, service, charity and help to those in need, without exception.

This means fully imitating the Holy Family, because today I want you to know that each one of you is considered a member of Our Divine Spiritual Family.

Let us continue to invoke peace by being an act of peace. Let us continue to invoke peace, without acts of repudiation or violence, because the world is deeply lost in so much violence and aggression.

May this end soon so that peace, tolerance and respect may be established among all.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
