MESSAGE FOR THE VIGIL OF PRAYER FOR PEACE IN THE NATIONS, RECEIVED IN THE MARIAN CENTER OF THE CHILD KING, RIO DE JANEIRO, BRAZIL, TRANSMITTED BY MARY, ROSE OF PEACE, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

After the Meeting of Music yesterday, Amazonia has been prepared so that, through the Grace of the Divine Son, it may receive all the Light of the Universe that it will need in order to go through the end of times, as a Kingdom.

Aside from that, dear children, today your Divine Mother will prepare, by means of the prayers of Her beloved children, to enter into scenes of humanity where the suffering of the most little and innocent ones becomes worst, day by day.

For this reason, the Mother of God, the Sun of Life, will reach all the little and innocent ones, in different parts of the world, to help them and rescue them from this spiritual, mental and material condition in which hunger, persecution from war, exploitation of children and also undue trafficking of organs are carried out by a part of adult humanity that has completely lost the sense of discernment and the value that family represents.

My children, I not only will go towards those who despair, in these conditions of survival, but also, as Mother of the spiritual healing of humanity, I will come to hospitals and institutes where bodily suffering retains the departure of the little innocent souls that cannot manage to be freed from their incarnation.

Today, by a special Grace and by the sincere prayers of all servers of the Earth, I will concede immediate relief for this inhumane situation.

Therefore, My children, your support and participation, by means of the Vigil of Prayer, will contribute to and grant that the most innocent may find the relief and rest they so much need.

I will also come to the inappropriate and hidden spaces where the future mothers decide, by the interference of the enemy, to remove from their wombs the lives and love that God gave to them.

Within the coming and awaited for meeting, in the Marian Center of the Child King, on September 25th, I will come to ask all the collaborators of this Work of Love not to forget to help and serve the children, adolescents and youth that are in the Community of the New Earth, because they are the reflection of this part of humanity that needs healing, love and understanding.

I will be very grateful if the Planetary Light-Network groups visit and participate periodically and actively within the group and service life of the Community of the New Earth.

In this way, you will consciously be allowing other service groups in the rest of the world, to be able to assume the relief of suffering of other children, adolescents and youth.

May this vigil be the vigil of the heart and of self-surrender.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
