**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Awaken Peace in your hearts. Commune daily of the redeeming presence of My Son. Await in peace His return from the clouds. Offer to God all givings that the heart may radiate. Find strength in prayer so that it may illuminate your path.

Dear children,

In the alliance with Christ which is an emblem of love that springs up from your hearts, there exists the love that you must seek so that the spirit may be permeated by the Mercy of My Son. Elevate your pleas to the throne of God, dear children, so that the celestial ears of the Father may listen to the call of all of His children. In this way, each one of your hearts will be working out of love for the true conversion of life, and in these moments you will be forgiving the guilt that perhaps some hearts may feel. The fault towards God is not the serious matter, the important thing for the soul that has made a mistake is the return to His Heart. All the life of the world is a learning experience, the time to redeem the past has come.

My dear ones, love God. He waits for you every day as His worthy children. The Universal Love of Our Father opens the doors to the light that will come. So that My Immaculate Heart may triumph in the world and in souls, the adoration to My Glorified Son will permit you to dissolve the suffering in many lost hearts. Every rescue begins in the inner opening of the heart. In this way, dear children, the Lord will contemplate each one of you as souls.

Your hearts and the heart of all My children must reconcile themselves with God. His Wonders of Peace and conversion await to be poured from My hands of Love. I will help you to find the path.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
