**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear and beloved children of the Father,

All the offenses that are generated in the world are forgiven day by day through the Unfathomable and Powerful Divine Mercy that springs as a fountain from the Sacred Heart of Jesus.

Therefore today, My little ones, you must surrender in faith to the infinite mystery of forgiveness and of reparation for the hearts that have fallen into the faults that offend God.

So that the world and the souls may achieve peace and universal harmony necessary in this end of times, My Son needs humble and spontaneous soldiers of Mercy.

Dear children, the Universal King of the Love of God, Jesus Christ, awaits daily that through prayer, service and fraternity new soldiers are able to be His instruments so that His Mercy may be propagated through the world. The hearts still have not understood the true mystery of the merciful Rays of Jesus; therefore today I invite you to propagate this important Grace that My Son is pouring over the whole world.

My children, in His Sorrowful Passion were radiated the highest States of Love that flowed out from the wounded Heart of Jesus. Now resurrected, He calls you to the conversion of your lives and to drink from the Fountain of Christ Himself, which heals all and cures all.

Dear children, it is time to awaken before that magnificent and splendorous Grace of Redemption and Forgiveness in which My Son is calling you to be participants.

May your lives be only Mercy. May your actions be merciful. May your words and thoughts be impregnated by Divine Mercy. May the Fire of the Love of Jesus convert you into instruments of His Unfathomable Mercy.

Dear children, you still have time!

I thank you for responding to My call!

Mary, Mother of the Divine Conception of the Trinity
