DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF VARGINHA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Let the Christic Love of the Lord flow within you so that, through your giving of self and surrender to the Plan of God, each space may be permeated by that powerful transfiguring energy.

Let the Christic Love of God flow through you, so that each consciousness may receive what it needs and be able to feel the peace of an apostle of Christ.

Let the Christic Love of the Lord flow through you so that the suffering of humanity may be alleviated and inner healing achieved by the majority of souls.

Let the Christic Love of the Lord flow through you so that each Kingdom of Nature may feel the love of human beings.

Let the Presence of God flow through you.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
