DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS??

May the Lord your God and your Father pour upon you His blessings and Divine Graces. May He build in your heart an unbreakable fortress, based on humility and honesty.

May the Lord wash your spirit, clean your soul and remove from your consciousness that which still incites you to perdition and to neglect the Plan of God.

May the Lord pour upon you His Forgiveness, so that you know how to forgive the world around you, erasing the past and learning to understand the future.

May the Lord put His eyes on yours, so that you can see His Presence in every being and understand His Will in all events, teaching you to intuit and to discern. May He place His hands in yours, so that they are available to receive and anxious to give. May He place your feet at His footprints, because He cannot walk for you - because there are things in this world that you must elect with your own heart -, but He will be able indicate the path to you and wait ahead of you, so that you closely accompany Him.

May the Lord your Father, your Companion, your King and your Master never lose sight of you. Do not let Him remove His eyes from you; for that, always do what He asks you, learn what He have already taught you and He will always be with you, showing you new horizons, knowledge and secrets that you do not know.

May the Lord remove the limits of your consciousness, expand the vision of your heart and teach you to greatly love and to get out of scarce love, of personal, individual and human love.

May the Lord show you that each drop of sweat of your face corresponds to the opportunity of salvation of a soul - whenever your works are for God -; thus, you will learn to transcend the limits, to donate the best of yourself and, sometimes, what is impossible. You will know the meaning of the unlimited that inhabits the Consciousness of God who does not have barriers.

May the Lord help you to recognize the Sacred, the reverence which rises from the love of the soul for what God manifests in your life. Learn to read the symbols of the events; contemplate the greatness and the beauty of each soul and each Kingdom of Nature. Live to know the perfection of God.

For infinite hours, days and cycles, I would ask God to be closer to you and to pour upon you all His Gifts and Virtues, so that you are full in God and so that you fulfill the world in your holiness.

I want to teach you to pray for the others, to wish for the neighbor always the best, always the divine, the sublime, the glorious. Pray for your brothers and sisters as I pray for you. Learn to ask for the others, such as I ask before your heart today.

I pray to the Creator every day so that He triumphs within each human heart. Pray with Me for the neighbor all the time. If your brothers and sisters can live the gifts and the celestial virtues, the Kingdom of God will descend to the world and also you will be inside of It.

Learn, child, to want for the neighbor always the best and may your plea be true.

The Most Chaste Saint Joseph, this one who teaches you to intercede for the souls
