**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

If each soul accepted to be in My Maternal arms, humanity would be guided and accompanied by the Light of the Spirit of God in each little heart.

For this, dear children, pray so that the Holy Spirit may bring wisdom to the consciousnesses. Pray so that the Spirit of Love may nourish the hearts that are empty. Pray so that the redemption of My Son may vivify each one of the essences.

If you pray, dear children, there will be a Greater Grace that will act for the salvation of humanity. Dear children, today I pour over you My Merciful Rays so that you may be guided by the Unfathomable Spirit of Peace.

My children, My voice can expand itself as Grace and as a call, by means of the good examples of charity and love that your lives may express. Therefore, little children, remember that you have come to the world to live the teachings of My Son. Accept to live in the Priestly Love of Jesus and in joy commune with His Celestial Presence.

Dear children, each act of love in the name of Jesus will help to heal the ignorance and the pride of the hearts that are blind before the Presence of God.

For this reason I invite you to pray because you must know that all can receive the Grace of Forgiveness and Reconciliation.

Dear children, we are in a time of immense works by means of the infinite power of prayer. The prayer that is born from your hearts will be the foundation for building the bridge through which humanity will be able to elevate itself towards God, the Eternal Love.

Extend your arms and through your hands give charity, give without restrictions the Love of My Son, the Redeemer.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
