DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF THE CHILD KING, RIO DE JANEIRO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The legions of the end times

In each point of the Earth, the legions of the end times will be born and will have Universal Love as their religion.

These legions will be made up of adolescents and youths who will impel the world into living the change of consciousness.

The legions will have nothing to gain nor lose. They will awaken awareness in the care and love for the Kingdoms of Nature and the planet.

The legions of the end times will be the cry and the voice of those who suffer poverty, marginalization, exploitation and mistreatment to life, as well as to the Kingdoms of Nature.

These legions will move thousands of people throughout the entire world and they will be who, at the most important moment for humanity, will testify to the respect for Creation in the face of the literate, the scientists and governors.

The legions of the end times will reach the end consequences; they will not allow planet Earth to be shaken nor moved because of everything that the humankind of the surface has done throughout the past decades.

The legions of the end times will have a single motto and they will respect it. They will lead a large part of humanity to perceive the planetary risk that the world is going through and they will help to awaken the interest and motivation for all that was created, to the point of defending the whole ecosystem of the Earth before any person or nation.

The young people are the legions of the end times and they must be clear about the spiritual mission that they will accomplish in this definitive stage of the human race.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
