WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

The Image of the Chaste Heart of Saint Joseph

The Image of My Chaste Heart must be contemplated by those who seek humility, simplicity, the maturity of spirit and the awakening of the spirit of service and charity.

This Image represents the moment in which My Chaste Heart pronounced Its "yes" to God and accepted, despite Its imperfections, to fulfill the Mission that God had entrusted to it.

This Image is the symbol that in order to serve God it is not necessary to be perfect, children, because Perfection, which comes from the Father, manifests in the soul and in the heart, as the being decides to walk.

Before this Image, you must ask the Father for the Grace of knowing to say "yes", despite the apparent audacity of His Plans. Because today I tell you: it is not God Who asks you great things, but it is you who do not know your own potential, do not know yourselves and think you cannot give what God asks you.

Before this Image, pray the "Novena to begin the New Spiritual Cycles" and let My Heart inspire you so that you can say "yes" and know what is hidden until today and is unknown to you about yourselves.

The Reliquary of My Heart represents the Plan of God consummated in human imperfection. I will place in it all the Graces that the Father granted Me to fulfill His Will and before it, children, you will pray not only for yourselves, but for all humanity, so that these Gifts of Surrender and Rendition, which made this Heart become a Divine Triumph, can reach each one of your brothers and sisters, in the four corners of the world.

Through the Image of My Chaste Heart and the Reliquary of My Heart, the Creator grants you two new and unique Graces so that you may know that all you need in order to become a celestial victory is within your reach.

Today I ask you for a small replica of the Reliquary of My Chaste Heart to pilgrimage around the world and to be at all altars of My Apparitions. Because in this Reliquary I will place the Gifts that humanity needs to renew itself, the standards of conduct for a new life, which will be irradiated in the nations and on the continents, as a teraphim of the New Humanity, so that those who contemplate it and pray before it may achieve the Grace of knowing and living who they really are.

I love you, I bless you and I thank you for manifesting this Work of Miracles and of Graces in this world.

Your Father and Companion,

The Most Chaste Saint Joseph
