DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear singing and instrument-playing children,

That, for this day, with this new meeting, your voices and instruments may rise to God in order to keep imploring and crying out for the redemption of the planet.

May the Heavens descend to Earth through the inner portal that today your hearts will be able to open.

May the Heavenly Father again hear all of your musical offerings so that, by means of this impulse of love from His children of the Earth, He may pour all of His Infinite Mercy over the humanity in need.

Children, that today, in a simple but profound way, this essential union of your souls with the Creator may be established so that, through this musical meeting, the attributes of peace, harmony, love and fraternity may be present in the consciousness of all human beings.

May, in this gala night, in which your spirits will be able to shine more than hundreds of stars, your souls unite in a single brotherhood, in the same love and in the same fraternity, so that everything, which will be humbly offered today, may radiate throughout the planet, and the spiritual and internal needs of the peoples, races and nations may be supplied.

Dear children, today, once again, I will be accompanying you in unity and in good so that, with the special aid of the angels, the fruits of this special musical meeting may be placed at the feet of the Heavenly Father and the whole world may receive Mercy and atonement.

Beloved children, may your voices vibrate and rise in love before this possibility of being able to sing to God, to life and to all souls that will need to awaken from the deep sleep of this time.

Beloved children, may everything be in your heart as it has been in current times.

May each new gala be an opportunity of renewal and confirmation of your faith for the Work of the Hierarchy.

Today I leave you My Peace, knowing that, from now on, you will wholeheartedly offer everything for the healing and the redemption of this race.

I bless you and wish you a most beautiful musical gala for this special night.

I thank you for responding to My call!

Your Mother Mary, Rose of Peace
