DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My beloveds,

Today My Crown of Stars is illumined by the power and the faith of the prayers offered through the Powerful Novena to Saint Raphael the Archangel.

The Creator Father is withdrawing from the planet, having fulfilled a most important stage in the mission of rescue and liberation of souls within the chain of suffering and illness.

But still, dear children, there is much to do, there are still souls to rescue, to awaken and to place upon the path of return to the Heart of the Celestial Father.

During these nine days, those who prayed were able to experience the silent work of transmutation and vibration that the Angelic Hierarchy does, and they were also able to be aware of the great need for help and prayer that the planet has.

So, during these nine days, in which the striving prayer beings carried out the novena, they were able to accompany Saint Raphael the Archangel in his planetary task of healing and reconciliation of humanity.

Opportunities will still be given to all to be able to continue praying from the heart for the end of the pandemic so that humanity may reconsider and recognize its spiritual distancing from God.

So it was, that the Eternal Father Himself sent one of His Archangels so that he could intervene for humanity.

Children, after these nine days of having been placed into contact with the sacred Law of Healing, may your prayers continue arriving to the beloved Heart of God so that more healing and more redemption may embrace the planet.

I thank you for having responded promptly to the call for the healing of humanity!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
