WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May prayer always help you to have clarity and discernment in the face of the events of your lives and those of the planet.

The light of prayer and its inextinguishable power can embrace situations or even realities that at first glance would seem to have no solution, and this is provided by the science of faith which is a special gift for God, for the angels and for all creatures.

Faith makes prayer a state of true and internal communion with the Divine Purpose.

Just as prayer is the most perfect and simple way to communicate with God, faith sustains through its science that offering of the soul that serves through the school of prayer.

In this planetary moment, prayer and faith are the two main internal tools to know how to go through the end of times, and above all, so that before each new decision of life, prayer and faith, as two powerful Rays of God, permeate forms and all decisions.

Remember that My Beloved Son lived in Himself, all the time, the contact with the power of prayer and faith, and above all, He exercised union with these principles in the most culminating moments of His life, such as the agony in the Garden of Gethsemane, when He fell for the third time, and His profound death and surrender on the Cross.

May the gift that prayer and faith bestow, be well applied by the disciples of Christ so that all may be renewed in hope and love.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
