WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE HOUSE OF OUR LADY OF THE POOR, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

To My dear and courageous children of the House of Our Lady of the Poor

My beloved children,

Today, with joy and jubilation of Heart, your Heavenly Mother gathers you around the Merciful Heart of the Redeemer so that, in this cycle, the spiritual teraphim of the House of the Children of Mary may continue to bear fruits of love, conversion and peace, not only in the families of this city, but also throughout the entire human family of the planet.

Dear children, from this day on, may you be able to make an internal synthesis of the steps that have been taken up to now.

Through the protection of My beloved Association Mary, the Messages of My Son, of the Chaste Heart of St. Joseph and of His Divine Mother will be able to reach the world, and above all the families, through each Child of Mary who, in this cycle and the year 2025, must actively commit themselves to live the vows they professed with Me on the glorious day of their consecration.

Thus, the House of the Lady of the Poor will continue to lovingly serve the families, as it has been doing thus far; but the time has come that in every city, in every country or place in the world, where a consecrated Child of Mary exists and is present, the impulse of the Rosaries of Light, the impulse of charity to the poorest and neediest, and the service in this cycle to those deprived of freedom and to those who are held captive by the demon of drugs, I am referring to My youngest children, may be manifested and expanded.

Dear children, this is the time to put My Message into practice. It is the time for you to follow the signs that I will send you. It is the time for you to share the Graces of redemption that you yourselves received on the great day of your consecration. The House of the Lady of the Poor can no longer be just a space present in a city in the interior of Brazil.

This House, which I Myself have entrusted to you out of Love, must have its expansion and its roots through all the Children of Mary who can be instruments of Christ through initiatives of prayer, service and charity.

For this reason, I created the great network of souls on Earth to help your Heavenly Mother to help and assist those who are in spiritual and material danger in this cycle of renewal. The service to the sick and especially to those who are alone will also be important.

It is imperative, at this time, to share and spread the Love of God through actions that counteract the threats and infiltrations of My enemy.

Finally, My beloved ones, all of you and your brothers and sisters in the world will prepare yourselves for the next Sacred Week, through Lent. May each one of you live that inner synthesis to know what the next step will be.

As always, I will accompany you at that moment, I will encourage you and I will show you the universe of service that will present itself on your paths.

Courage to all the Children of Mary!

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
