DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF DE AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Even if you are not able to, walk barefoot towards Me so that I may receive you and mold your consciousness just as I had thought, even before you awakened to Me.

Therefore, in the effort of relinquishing all, you will have the impetus to renew your life, time and again, to make it more sacred and blessed each day that goes by.

Coming barefoot to Me is a great challenge, but not unattainable, it is the inner permission that you give Me so that I may turn your life into the model I once had thought.

Even if you have imperfections and still have defects, these are not impediments for Me to transform your life. The only thing I need is your most sincere love so that the Laws which come from My Consciousness may act freely in you.

Thus, cheer up, and release your being from everything, even if you sometimes cannot manage to do it.

It is worth the attempt and the effort of being able to live it and do it.

Let Me have you in My Hands as new clay, so that this Potter and Craftsman of Love may be able to make of you something unknown and never seen before.

Believe that I can do all, because the time will come for you to witness My Presence before the cruel world and thus, My Word will be fulfilled.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Jesus Christ
