DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LIGHT-NUCLEUS OF SACRED HEAVEN, BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

I feel immense and inexplicable joy for you, for being able to return to one of My favorite homes and Service Nucleus for humanity.

After a long walk, your Master and Lord comes to the heart of each one of those present so that, in adoration and in silence, He may rest together with His disciples and praying pilgrims.

This is a special moment because, as from today on, the Light-Nuclei will prepare, after many years, to someday change into Centers of humanitarian shelter and support in the current time of transition.

Here in the Light-Nuclei exists the main archetype of the attributes of the Light-Communities; they are the arms and the hands stretched out to the world that can welcome, receive and bring relief to those who suffer. All this is a treasure of the Spiritual Hierarchy, because the Light-Nuclei are spaces dedicated to helping souls to take the first steps in fraternity, in the good and, above all, in love.

If the Light-Nuclei did not exist as basic support and pillars of the Work of the Hierarchy, today it would not be possible to carry humanitarian and fraternal service to the world, because the Light-Nuclei are not only spaces for reconnecting with the sense of the inner world, but they also represent the experience and the synthesis of the Light-Communities.

In short, the Nuclei are fruits of the sacred tree, of a tree that, by means of souls and servers, must continue to sow forgiveness and redemption in the most spiritually needy hearts.

I am forever grateful for the eternal and loving service of the souls of this and all Light-Nuclei. I am grateful to those who in faith still hold up the torch of their Lord on the surface of the Earth.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
