DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I will send all My angels so that, after each battle, the Healers of Heaven may radiate their healing states over the servant humanity.

This is how your Heavenly Mother sends all Her Hosts of Light so that they may rebuild all that has been damaged after a hard confrontation.

Know, dear children, that the angels of healing dedicate their divine service to restore and balance that which My adversary tries to destroy.

Thus, the Love of God within them allows the doors of evil to be sealed, and, all that is involutive becomes expelled because, at that moment, My beloved ones, the Light of God, the Light of the Creator, triumphs over any adversity.

It is in this school that all the servers are entering in order to learn to love what the Father sends them as instruction and for inner growth.

As your Mother, I will not cease to accompany you on this trajectory that will lead you to serve for the liberation of many souls that are trapped in ignorance and in the temptation of My enemy.

When liberation and a global awakening happens within the consciousnesses, it is a sign, dear children, that the triumph of My Immaculate Heart is getting closer, every day; this will be inevitable in these times that will come for humanity.

Know, My beloved warriors, that I will be near you, sustaining the scepter of My maternal government.

I thank you for responding to My call!

Who protects you,

Your Mother Mary, Rose of Peace
