DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE LOCALITY OF PÊRA, ALGARVE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Feel the breeze upon your face and the caress of the wind; they are the sweet words of the Mother of God.

Feel the firmness of the earth and contemplate the deepest core of the ground; it is Mother Earth expressing Her unconditional Love.

Allow the water to cleanse your body and purify all inner wounds; it is the Lady of the Waters, chaste, pure and clear.

Contemplate the strong and robust fire that illuminates the spaces; it is the ignited flame of the Heart of the Divine Mother.

These are the elements of Mother Nature, that suffer in the same way as Her children of the Earth; that cry out as do the beings of this humanity.

Here is Mother Nature in agony, silent and imperceptible, alongside Her children; who waits for the pity of humankind so that, in these critical times, Creation as a whole may be able to be regenerated.

Thank you for becoming aware of this!

Who blesses you,

Your Mother Mary, Rose of Peace
