DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

If your heart is tired within, if your mind is tired of resisting, if your bodies are tired of sustaining themselves and this world, child, the time has come to surrender to God.

If your spirit is tempted, if your soul is in agony, if loneliness approaches, even while surrounded by friends, and silence is what speaks loudest within you, child, it is because the time has come to surrender to God.

The planetary Passion begins with temptation.

Before surrendering all for love, your Lord had already spiritually carried the weight of the world and, defeating inner temptations with the revelation of His unbreakable Faith, He then overcame His most human resistances by sweating Blood and, in that, He overcame the fear of all humanity, of experiencing surrender and sacrifice for a love without rewards.

But once again, I tell you, My child, meditate upon the Cross of your Lord, and create a deep connection with Him.

Because when the Divine Word becomes silent, when the stars hide in the sky and even your inner universe is dark, like a night without the moon, it is only the power of the memory of the Passion of Christ that will inspire your soul. It is your profound union with Him and the goal of imitating His footsteps that will allow you to continue moving forward.

It is so little, My child, that you suffer grief magnified by the temptations of the world, the assaults of these times. But I tell you that much greater is the Love and the Power of God within you.

Risk discovering it; surrender yourself to live it.

Do not remain in weariness or agony, but rather drink from the divine Chalice that seems to offer you pain but, in reality, offers you infinite Love.

You have My blessing for this.

The Most Chaste Saint Joseph
