DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL TO THE VISIONARY SISTER LUCÍA DE JESÚS

Learn to let yourself be sustained and renewed by the love of your brothers and sisters, just as Christ renewed Himself on the way to Calvary by observing the presence of His Divine Mother, the holy women and some of His companions.

In this time, although each one will carry their own cross, you will only arrive to Calvary and to Christification with the help of one another, with the love and support of your fellow being. Because the Plan of God manifests through unity; this is the vehicle for the awakening of love.

Therefore, walking with your cross, let yourself be helped, besides helping. Allow yourself to be loved, besides loving. Receive the service and the surrender of your brothers and sisters, besides serving. Understand that it is together with your brothers and sisters that you will live the renewal in love.

These are the keys so that you may tread this path and also learn from the essence of humility which comes from the Heart of God.

Your Father and Friend,

The Most Chaste Saint Joseph
