DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE GUAZUVIRÁ RESORT, CANELONES, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In this time, the Spiritual Hierarchy works through small groups of humans, not only to establish and experience the Project of Redemption, its effectiveness and potentials, but also as a part of the Plan. In a smaller number of gathered consciousnesses, the Hierarchy is able to access all the areas of the human race and, in this way, it helps it find the path of healing and the Greater Purpose.

In order for this to be possible, certain spiritual tools are used that, spiritually and cosmically, help to unblock the human evolutionary process, and thus bring wider possibilities for the rest of humanity.

In this way, the Plan slowly takes over the more serious and complex areas, in which entry into the levels of higher Light or of rehabilitation have not been achieved.

In this sense, through the small human groups that are truly united to the Hierarchy, It can extend the opportunity to allow universal life to reach all those who are absent from this supreme reality.

All this is possible through a single key that opens the doors: adherence.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
