DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LIGHT-NUCLEUS OF SACRED HEAVEN, BELO HORIZONTE, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

From My Heart emerges the Blood of redemption and of life, because in My Heart the Wound still exists, that which had been once opened on the Cross. A Wound which at that moment nobody knew. Only My Mother and the Holy Women, as well as John, the Apostle; they knew about the emergence of this material and spiritual Wound.

That Wound was the last and great spiritual, mental and moral surrender of your Lord.

In truth, more than the Wounds of the hands and of the feet, it was the Wound that up until these times justifies the errors of humanity and it is the Wound that allows Me to still be here, among you, to announce and proclaim the Kingdom of God within each being and in the entire Universal Creation.

This is the Wound that testified to the Love of God for humankind, although they were mistaken or were in the greatest and most absolute darkness.

This is the Wound that is still to be alleviated, which is caused by the ignorance of those who do not experience God and by the indifference of those who turn their backs on Him and leave, abandoning the Love of the Redeemer.

This is the Wound of Your Master that is still to be healed for a long while. And what will close it someday will be the love of those who are blessed and have no preconceptions of the Universal and Divine Work of Your Lord.

This Wound will be healed through those who help and surrender to a silent transmutation.

This Wound will be healed through all those who blindly trust in Me, beyond what happens to them, what they go through or purify, because if I still carry the Wound of the pain and the ignorance of the world in My Heart, because of those who are Mine, it will be possible for that sorrowful Wound to be alleviated, as it is in each moment of adoration, of prayer and of communion with Me.

Because when everything happens and when My Wound is healed, you will only find refuge in My Heart, in My Divine Life and in My Presence.

Never cease to be generous with others, loving towards those who are in pain and suffering.

Never cease to serve and to surrender to Me, because the day will come in which, in the Glory of the Father, you will be seated at My table and I will crown each one for their efforts and inner merits.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
