MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN POTRERILLOS, LUJÁN DE CUYO, MENDOZA, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

While the world and the nations get involved in chaos, My children, I call you to enter into My Heart and find peace. I call you to cross the thresholds of human indifference that exists within you, as upon the whole planet. I call you to lose fear of what is true and unknown so that, in this way, you can look at your own inner world and find what you truly are.

May you contemplate the infinite and know that this very infinite dwells within you. And just as the stars hold in their shine a great mystery that seems to be distant from your lives, within you there is also a divine essence, whose shine, My children, holds not only the mysteries about yourselves, but about that of all life, about the Plan and the perfect Thought of God for humanity and for all creatures.

In spite of all conflicts and sufferings, in spite of all stimuli that you receive, day by day, causing one to suffer, to lose hope, to live indignation and to feel the pain of injustice, I call you today to go beyond all appearances and find that which is true, although it was nearly always hidden from human eyes.

In these times, My children, nothing else will be hidden from you, and in your hearts the divine mysteries and gifts can become unveiled, you can discover your true potentials, you can know what you were created for, what is the purpose of your lives; a purpose that is beyond the experience of forgiveness and redemption, and that is held in the expression and in the manifestation of love, in that which Christic Love awakens within you, and in everything.

These are times to be conscious of the urgency of the planet, to know and perceive that the chaos announces the Apocalypse and the Laws are being fulfilled, and they manifest that which was written. But it is also time to know the correct way to deal with the planetary situation, and this, beloved children, is not written in any Sacred Book, because it is part of the Revelation of these times; it is part of that which you must live and experience in this evolutionary stage of humanity, which you were not ready to live, and not even to know about in other times.

The Keys to cross the thresholds, that separate you from the Truth and divide the cycles of the old and new human being, are found in Our words; they are found in the state that the Divine Word places you within.

Therefore, do not only listen to that which we tell you, but let yourselves be elevated. Go deep and seek within that which only silence is capable of showing you and, with this strength, you will be ready to deepen within yourself.

It is by praying and uniting your own heart to God, and to the Divine Messengers, that you will be worthy to know what makes you like your Creator. And in this way, My children, you write with your own lives the Gospel of these times; the Gospel that is the concretion of the end, but also the beginning of the new.

I leave you My blessings so that you may be beyond every internal or external conflict; so that you may be held within My Heart and, by elevating your own spirit, you may help humanity to also be freed from the ties to the slavery of ignorance and illusion.

I love you, support you and with My Love I guide you so that you may be in God.

Your Mother Mary, Rose of Peace
