DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While only some advance toward a spiritual victory, others completely fail, totally forgetting the principles and rules that I once gave you.

This not only refers to a specific action that was not performed well, but also refers to a greater situation that on various planes compromises the purpose of the evolution of these souls that are under the astute pressure of My adversary.

What can we do?

Liberation from the chains and from personal human passions is only achieved through a true act of love for God and His Divine Plan.

If this were not present, everything would be a failure. The love for the Plan of God and for its accomplishment is not a passing experience or a volatile feeling as some believe.

The love for the Purpose of God is to, with all strength, determination and faith of the heart until death, assume the same that your Redeemer assumed for you, even while faced with a distressing scenario of adversity, injustice and treachery, only so that the Will of God could be fulfilled beyond the human aspect of Christ.

To assume the Plan of Love is to be aware every day that a Greater Will exists, that rules you and gives you an impulse each day to live and experience the ardent wish of God.

Those who, through their actions, waste this great and unique opportunity, only step back, and their destiny is changed forever, left to the fate of today's world.

Thus, the Heart of your Redeemer shakes when somebody is against the wish of God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
