DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

This is the cycle in which to recognize and face the miseries within oneself that are to be transformed; but it is also the cycle of discovering the talents that My Son left within your hearts.

It will be necessary, beloved children, to substitute your defects and imperfections for the talents and the virtues that must be at service for the love of humanity.

For this reason, children, live the present time as an opportunity to transcend the limits of the consciousness and the suffering that all this generates.

Discover in yourselves the seeds of Light that My Son once planted within you.

Truly attribute the potential that the virtues of the soul have for these times and everything, absolutely everything, will pass.

In this way you will learn to be more humble, available, considerate and helpful toward all the needs that present themselves.

I only ask you, My children, to no longer justify your actions and ways of life. Recognize every personal aspect as an opportunity for transcendence and forgiveness rather than for battle and struggle.

You have my blessing for going to meet the Twelve Talents of the Lord.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
