Daily Message received during the journey from Medjugorje, Bosnia and Herzegovina, to Zagreb, Croatia, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

When you invoke My Divine Mercy and turn toward Me, I do not contemplate your miseries, but rather the potential of your virtues kept in the depths of consciousness.

Thus, I remove your structures before they harden and before nothing can make them move from the place where they are.

Thus, My Divine Plan, which is dynamic and constant, brings you an awareness of the Purpose, of the constant dynamism that you must achieve in order to continue the Redeeming Work of your Lord.

For this reason, I also send you to different peoples, so that the nations may come to Me and find Me in all those who sincerely wait for the path of reconciliation.

This is the time for Me to not only be among you through the Sacraments, but to also be among you through My Word of Love.

This is the time to have the Virtues of God grow within you, in this way you will more consciously know the Mysteries of Heaven.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
